Step 2: Click on “Start for free” and register yourselves by entering required details and click on create account.

Step 3: Further fill all required details in next page and click on get started.

The screenshot shows a web browser window with the URL https://signup.sendgrid.com/account_details. The page features the SendGrid logo and the heading "Tell Us About Yourself". Below the heading, a message states: "This information will help us serve you better." The form contains several input fields and checkboxes:

- First Name (text input)
- Last Name (text input)
- Company Name (text input)
- Company Website (text input)
- Country Code (dropdown menu, currently showing "USA (+)")
- Phone Number (text input)
- What is your role? (checkboxes for Developer, CEO, Marketer, and Other)
- How often emails do you send per month? (radio buttons for 0 to 100,000 and 100,000 to 1,000,000)

A green banner at the top of the page reads: "Your account has been created. Welcome to Email SendGrid—we're happy to have you!" The browser's taskbar at the bottom shows the Windows Start button, search icon, and various application icons, along with system tray icons for weather, network, and time.

Step 4: Account and got access to dashboard That's it you have created your Send Grid.

Output: Send Grid account created successfully.
